

MOT Program-related Expenses

Updated August 2026

We have provided estimates of MOT program-related expenses which students may incur during the 2.25 years.

For accurate UW tuition and fees information and related questions, please refer to [UW Student Fiscal Services](#). We are a publicly funded program with tuition determined by state residency. Out-of-state residents pay a higher tuition rate because WA State tax dollars go towards reducing the in-state resident tuition.

Miscellaneous Fees Table

Description	Cost
Health Sciences Immunizations Program (HSIP)	\$22 per quarter
Clinical Placements Northwest (CPNW) account	\$75 annual fee
myClinical Exchange (myCE) account	\$36.50 annual fee
Med + Proctor account for HSIP	\$24 one-time fee
Certiphi Criminal Background Checks	\$65 initial check, \$54 for each recheck
BLS/CPR for Healthcare Providers certification	\$80-100 for two-year certification

Other Expenses

- Clinical sites may have additional onboarding requirements
 - Immunizations and criminal background checks are a student expense
 - Students may have to pay vendor onboarding fees
 - Sites may require students to wear uniforms or scrubs or adhere to a dress code
 - Students pay expenses related to travel or temporary residence for out of area fieldwork placements
- Students are required to have a computer or laptop to successfully access programs and online instructional materials used in REHAB courses
 - Computers need to access high speed internet to run videoconferencing software, stream video, access Canvas (UW learning management system), OneDrive, and required learning activities
- Official UW transcripts cost \$13 per electronic copy
- NBCOT exam application and score report
 - \$595 for paper initial exam
 - \$540 for online initial exam
